

THE BIG MOVE—SUNDAY 11TH SEPTEMBER (THIS WEEKEND!)

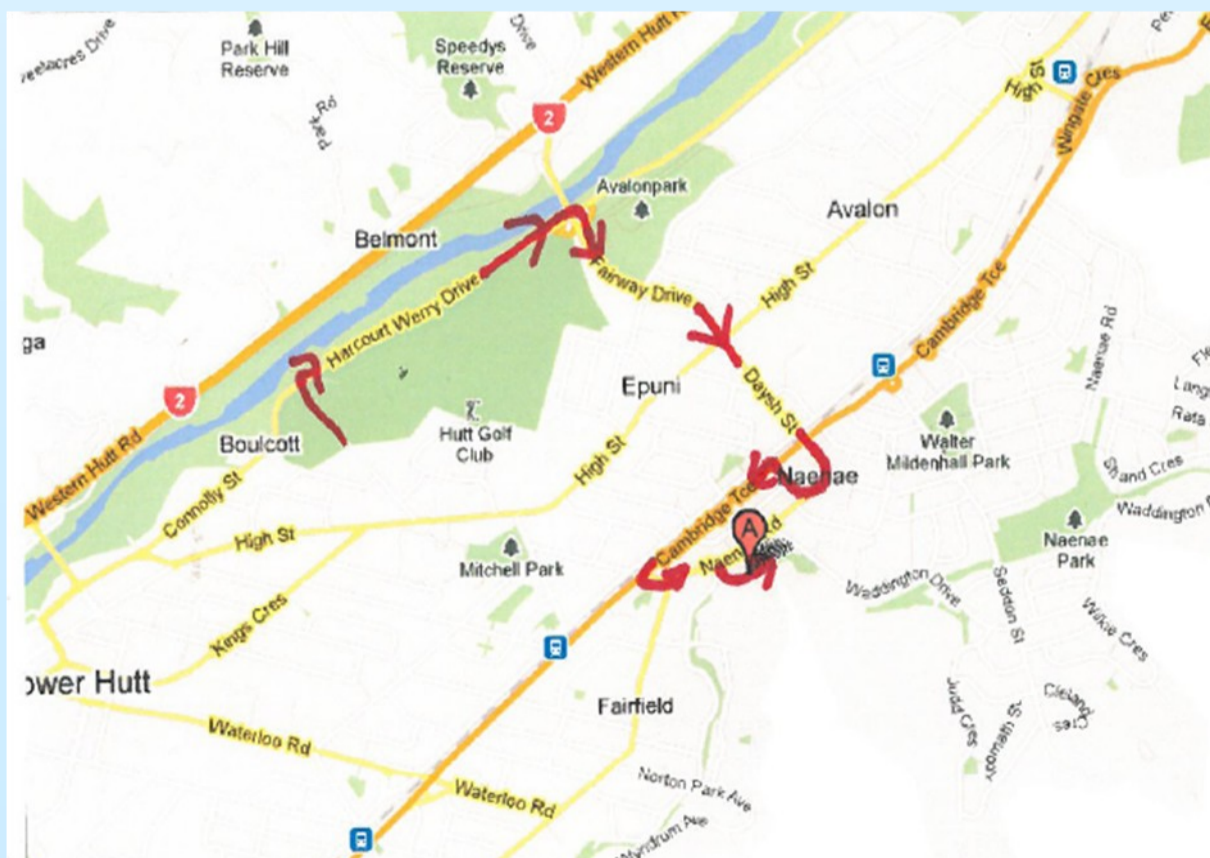

The bridge being laid across the stream—the trucks with the buildings aboard will cross the stream on this makeshift bridge.

The building being prepared for the move.

SAUSAGE SIZZLE—we will hold a casual sausage sizzle on Sunday on the river bank from about 9:30am for those residents and neighbours who are interested in watching the exciting move.

The Delivery Route:

The building will leave the golf grounds and travel to Harcourt Werry Drive then onto Fairway Drive where it will meet up with the building coming from Bulls.

From here the convoy will travel down Daysh St, across the bridge and turn right at the roundabout onto Naenae Road. They will then turn right again and into Cambridge Terrace where they will travel along to meet Naenae Road.

Once on Naenae Road they will travel back towards LFT and turn left into Riverside Drive where the makeshift bridge has been erected to traverse across the stream.
