Three more individuals are close to getting their opportunity to live in a flatting situation here on site. The Lockwood is almost ready for people to move in and make it their home.

12 August 2011 Chamber of Commerce's BIG Quiz Fundraiser

This year the Hutt Valley Chamber of Commerce selected Laura Fergusson Trust Wellington as the recipient of their BIG Quiz fundraising evening. The event was held on Friday 12th August in the Boulcott Farms Heritage Golf Clubrooms and had around 128 people participate in the evening.

It was a great success and we wish to Thank all those who helped to organise this especially Renee Walkinshaw.

We entered three tables representing the Trust and although we didn't manage to make it to the top of the score board by evening's end we had a totally enjoyable evening and managed to win some of the silent and live auctions.

Chamber of Commerce BIG Quiz Fundraiser cont...

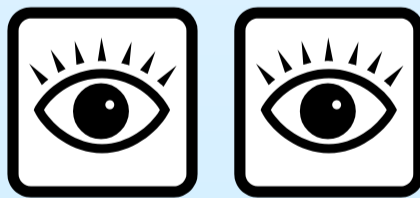

Thank you to those who attended the event to support LFT and those who donated gifts for the auction. The funds raised from this evening will be used for the fit out of the community bathroom in the expansion project.

Week 15—19th August

There is movement out the back section! How exciting it is to see the old wooden fence has been pulled down between our existing property and the new section.

There will be a new fence erected this week as a security and safety precaution but we will be able to see through this fence to the action that is to take place in the upcoming weeks. Keep your eyes peeled for progress each day. As you can see below the containers have already been moved to their new spot!
