Donating to Wellington Laura Fergusson Trust

The Wellington Laura Fergusson Trust is an independent, charitable trust and our continued operation over the past 35 years and into the future is only possible because of the generous contributions made by individuals and organisation from our wider community.

Our client group is made up of adults from diverse backgrounds and with a wide range of physical and/or neurological abilities. Providing quality services to this group means we have staff working 24 hours a day, 7 days a week in our fully accessible, specially equipped site in Lower Hutt.

Ultimately the goal of all of our services and facilities is to provide opportunities for people with disabilities to pursue a supported and independent lifestyle.

If you'd like to help this cause, we would welcome any contribution you might be able to make. To make a donation please contact our office (telephone: 567-6024) or complete and return the slip below.
